*Evolution Applied to Infinity is
Annulled by Ultimate Order and
Confirmed by Strong Empirical
Evidence of Life After Death and
Multiple Fields of Science*

**THE SOON COMING
ULTIMATE ANTI-THESIS OF
CORRUPTION FIFTH
DIMENSION INVASION**

BY DAVID JAMES THOMSON

THE LARGE 16 BILLION DOLLAR HADRON COLLIDER DISCOVERED THE GOD PARTICLE IN 2012 OR WHAT IS KNOWN AS THE HIGGS BOSON.

This background field known as the God particle itself is the source of waves to cause and influence all particles of existence which are varied packages of energy in varied dimensions or fields that make up all existence. This observation and many other increasing observations through the multiplication of knowledge are pointing ever more strongly to an ultimate and immovable reality behind the whole of creation.

Large mainframe computers that read the data from the photos of these particle explosions which have been mathematically analyzed have discovered that there exists as many as possibly ten different dimensions of which many are far more complex and superior to the physical dimension. The YouTube video titled, **11 Dimensions Explained (Eleven Dimensions) - What are Dimensions & How Many Dimensions are There**, explains these 10 dimensions and a possible 11th dimension.

You can watch on this same YouTube Video at **10:53** on the slider as the gentleman explains that the tenth dimension would have to be the God Who is the Creator of all.

THE CONCLUSION OF MANY SECULAR SCIENTISTS IS THAT THE UNIVERSE IS A NON-MECHANICAL REALITY THAT IS MORE LIKE AN EMANATION FROM A SUPER INTELLIGENT THOUGHT SOURCE.

Did you know that you and everything that exists only exists in 0.0001 percent of what is 99.9999 percent empty space. Here is a YouTube video beginning at **0:58** on this titled, **You are Made Up of Nothingness.**

RON PEARSON, IS HIGHLY QUALIFIED AS A SCIENTIST, PHYSICIST, AND ENGINEER, AND IS THE ORIGINATOR OF THE "BIG BREED THEORY" WHICH DOES NOT HAVE ALL THE SCIENTIFIC CONTRADICTIONS OF THE "BIG BANG THEORY."

Ron Pearson, discusses in a YouTube Video beginning at **3:20**, titled, **The Science Of Eternity (Part 2)**, that the evidence in particle physics reveals that all space of all that exists is filled with what is very similar to the neuron network of the human brain but at a far more highly refined and tuned scale. He believes that this is a Super Intelligence attached to all that exists.

He believes that this Super-Intelligence evolved in another dimension and created everything and also this physical 3rd dimension and everything on earth. Ron Pearson states, "It is the ultimate reality: the base from which all else originates: the only thing that really does exist."

THE MATHEMATICS OF PARTICLE PHYSICS THAT POINTS TO FAR SUPERIOR DIMENSIONS AND GOD.

Robert A. Herrmann, a Professor of Mathematics at the US Naval Academy has written a book titled, **"Science Declares Our Universe Is Intelligently Designed"**. Robert A. Herrmann has also written many scholarly articles showing

the mathematical conclusions in the analysis of the atomic structure which you can view on his website at rahermann.com. He shows how this all reveals dimensions of existence far superior to the physical dimension that all point to an Ultimate Super Intelligent Source.

LUT MONT TANY WHO WON THE NOBLE PRIZE FOR DISCOVERING THE HIV VIRUS DISCOVERED AN AMAZING FACT ABOUT DNA THAT DESTROYS THE VERY ROOT OF THE THEORY OF EVOLUTION.

You can watch this on YouTube in the documentary titled, **Resonance: Beings of Frequency (FULL MOVIE)**, beginning at 9:55 minutes. He filtered all the DNA out of a test tube so there was none at all left. What is super amazing is that then the test tube with the DNA near that test tube sent a communication to the other test tube with no DNA in it and created DNA where no nucleotides existed.

OVER 101 WORLDWIDE PROCESSES REVEAL THE EARTH TO BE 6000 TO 12,000 YEARS OLD AND ARE BASED ON FAR LESS PRESUMPTIONS.

These processes far outnumber the few processes used by evolutionists to assume long ages, and are often far more sound and stable with fewer assumptions than the long age dating used for the evolution model. With some young earth indicators, atheists point out contradictory evidence, but this is often based on greater assumptions on their part, which sometimes also contradict other aspects of their evolution

long age model. Here are links to 101 of these young earth evidences at creation.com/age-of-the-earth.

ICE CORES DO NOT IN ANY WAY PROVE A LONG AGE FOR THE EARTH BUT ARE BASED ON MANY PRESUMPTIONS.

Beginning at 17:03 in the YouTube video titled, **What Really Caused the Ice Age and Climate Change? - Dr. Larry Vardiman**, Larry reveals the reasons it is impossible to read long ages from the middle of the ice cores to the bottom. At that depth, the layers are so thin that it is incredibly difficult to interpret all the various information. It's not possible to count them as individual rings visually so that all you can do is estimate it for one Ice Age. Furthermore, you cannot count them as annual layers because there's too much difficulty in interpreting the record. Because the layers are so thin it is not possible to interpret them correctly from oxygen-18/16 ratios, especially when there is so much controversy on those ratios. It is also impossible to interpret in terms of annual layers. In fact, these layers can easily be interpreted as storm layers and not annual yearly layers. So if there's a storm every 3 days you would have 120 of those layers. Therefore the bottom layers could equally be interpreted using the flood model as only a few thousand years. There is also another scientist, Michael J. Oard, in the YouTube video titled, **Frozen In Time: The Ice Age | Michael J. Oard**, that explains errors of dating these bottom ice cores as long ages beginning at 81:01.

THE EVOLUTION OF LIFE BY THE ORDER OF FOSSIL LAYERS CONTRADICTS AN ABUNDANCE OF FACTS

They only choose the ones that fit into their desired evolutionary model for those layers when there are many other fossils that contradict their desired belief. In the YouTube video titled, **The Fossil Record and Transitional Forms**, this documentary exposes in great detail the multitudes of lies used to promote the theory of evolution in the fossil record. In the earliest Cambrian rock strata that is supposed to contain the earliest fossils, there is the sudden appearance of highly complex forms of life, with no evidence of gradual development from simpler forms of life; and the pre-Cambrian rock strata immediately below is completely void of fossils. Furthermore, all the higher categories of living things appear abruptly in the earth's strata with no evidence of any transitional forms between the basic types that have been assumed as transitional. Obviously, there should be inconceivably great numbers of transitional forms between these basic types. Many locations have fossils representing different ages in the same formation, and all animal phyla, including vertebrates are found in the supposedly most ancient Cambrian period. The skeletons of different species extant today can be put together to fabricate the evolution of a single species that would be as convincing, as for example, what has been put together to purport the evolution of the horse. Watch the YouTube video titled, **The Theory of Evolution Debunked: Horse Evolution & Embryology**,

which completely debunks this fabrication of evolutionists.

THERE MANY EXAMPLES OF HUMAN ARTIFACTS AND FOOT PRINTS IN FOSSIL LAYERS FALSELY CLAIMED TO BE HUNDREDS OF MILLIONS OF YEARS OLD.

A hammer was found around 1936 in the hill country near London, Texas in solid ordovician stone which is assigned an age of 435 to 500 million years old by evolutionists. Obviously, this hammer is from the preflood world that was shielded from ultra-violet light by some kind of vapor canopy in the atmosphere. The YouTube video titled, **London hammer-400 million year old artifact**, shows this hammer with very interesting scientific observations.

There is solid scientific evidence of genuine human footprints with the dinosaur footprints partially in the human footprint and another human footprint over top of a dinosaur footprint. These have been clearly scientifically confirmed to be genuine by spiral CAT scan technology. Watch the actually rock imprint for yourself being shown and explained in the YouTube video titled, **Artifacts That Challenge Evolution The Delk Print**. You can watch the artifact of other human foot print in the YouTube video titled, **Artifacts that Challenge Evolution Throughout the Geologic Column**.

The full index finger of a lady preserved by the pressure of sudden mass burial and mineral replacement was discovered in the same layer

with dinosaurs remains. Spiral CAT scan technology has analyzed this finger and confirmed that it is indeed the finger of a human being just like humans today and reveals the bone, joints and nail. Watch the YouTube video titled, **Artifacts That Challenge Evolution 'Lifting A Finger' to Help Understand Time**, to see this for yourself. This is just some of the examples out of many that have been found.

Human sandal footprints have been found in the Cambrian rock layer which is the lowest and earliest level in the supposed evolutionary fossil chronology. What is so amazing is that within the sandal print there is also two small trilobites. This completely blows the evolutionary theory out of the water and confirms a worldwide flood and creation by God. Watch the artifact for yourself as it is explained in the YouTube video titled, **Artifacts That Challenge Evolution Trilobites Underfoot**.

THE EVOLUTION OF MAN FROM THE APE HAS BEEN EXPOSED MANY TIMES TO BE DELIBERATE FORGERIES OR THAT OF A REAL APE OR HUMAN.

In the YouTube video titled, **The "Skull" of Java Man Was Actually the Kneecap of an Elephant!**, there is presented all the lies and forgeries of all the various ape men who make up the lie of the evolution of man in educational textbooks up to the present. This includes the Java Ape man skull that turned out to be the kneecap of an Elephant. The actual facts reveal that every single stage of the evolution of man

presented is a big lie far from any facts. All the various ape men are clearly shown to be made up such as the Nebraska man from the tooth of an extinct pig, or they are the bones of apes mixed with human bones or they are equivalent and in some cases even superior to modern man.

THERE IS VERY STRONG DETAILED ARCHAEOLOGICAL EVIDENCE STRONGLY CONFIRMING BIBLICAL EVENTS SUCH AS THE MIRACULOUS RED SEA CROSSING, MOUNT SINAI, AND SO ON.

In the following video you will see the actual location where the children of Israel crossed through the Red Sea and much much more. This will include a large amount of solid archaeological evidence. You will also see the melted rock and sand that was caused by the fiery pillar in which the presence of God dwelt as God led the children of Israel into and through the Red Sea. The title of this YouTube video which shows the melted sand and rocks beginning at **20:26** is **Part 2 of 4 Red Sea Crossing & Mt. Sinai Ron Wyatt's Discoveries 2017**. Beginning at **39:01** in the same video is very strong evidence of the rock from which very large volumes of water supernaturally came out at the command of Moses to supply the children of Israel with water in the desert. Watch at **43:14** in this same video the very strong evidence of Mount Sinai where God came down on the Mountain and gave the ten commandments.

Watch the YouTube video titled, **The Biblical Exodus... Fairytale or Historical Fact? (by David Rohl)** and **Part 3 of 4 Ark of the Covenant**

Ron Wyatt's Discoveries 2017 and Part 2|Red Sea- proof of the supernatural.

FOUR LAWYERS THAT WERE NOT BELIEVERS WROTE BOOKS AGAINST THE RESURRECTION OF JESUS CHRIST AND WERE CONVERTED IN THE PROCESS BECAUSE THE EVIDENCE THEY INVESTIGATED WAS SO STRONG.

Doctor Simon Greenleaf, the famous Royall Professor of Law at Harvard University, wrote a famous three volume work, A Treatise On The Law Of Evidence which is regarded as one of the greatest authorities of all legal literature on the laws of evidence. Doctor Greenleaf applied the principles in his three volume work to ascertain the validity of the historical resurrection of Jesus Christ. He found that all these laws of legal evidence used in our courts could only leave him with the conclusion that there is more evidence for the resurrection of Jesus Christ from death than almost any other historical record. He recorded His findings in His book, **An Examination of the Testimony of the Four Evangelists by the Rules of Evidence Administered in the Courts of Justice.**

Lee Strobel, an atheist, was a professional lawyer and news reporter who set out to do extensive investigation and research to disprove the resurrection of Jesus Christ from the dead in the 1990s. He was very upset that His wife had become a Christian and wanted to convince her and others that this was just a myth. In the process he was converted because he discovered the evidence so strong. You can watch the trailer

to the movie on what happened in the YouTube titled, **The Case for Christ Official Trailer 1 (2017) - Mike Vogel Movie** or watch the watch him share in the YouTube titled, **LEE STROBEL - The Case for Christ.**

THERE IS 353 PROPHECIES THAT FORETOLD OF JESUS CHRIST THAT WERE FULFILLED WHEN JESUS CHRIST CAME THE FIRST TIME.

Watch the YouTube videos, **Old Testament Prophecies - Chuck Missler**, and **Top 30 Prophecies That Jesus Christ Fulfilled - Episode 1/3.**

THERE ARE POWERFUL CODES AND NUMBER PATTERNS IN THE BIBLE THAT WOULD BE IMPOSSIBLE TO PRODUCE BY MAN THAT CONFIRM THE BIBLE IS THE WORD OF GOD.

American journalist, Michael Drosnin who wrote the book, **The Bible Code**, which became an international best-seller reveals these codes which are known as equidistant letter sequences. For example, you can see the amazing hidden messages in Isaiah 53 in the YouTube Video titled, **Codes In Isaiah 53.** To Learn more watch the YouTube video, **Bible Codes - The Proof of God.**

There is also amazing mathematical patterns in the Bible. This was discovered by Dr. Ivan Nikolayevitch Panin a Harvard graduate and top mathematician. Watch the YouTube video titled, **Dr. Ivan Nikolayevitch Panin (1855 - 1942)** on this.

WHEN SO CALLED CONTRADICTIONS IN THE BIBLE ARE PURELY EXAMINED THEY TURN OUT TO HAVE VERY GOOD EXPLANATIONS THAT SHOW UP THESE CONTRADICTIONS TO BE FALSE.

Almost all the know seeming Bible contradictions are debunked at contradictingbiblecontradictions.com There is also a YouTube video titled, **Biggest Bible Contradictions: Evidence for the Bible pt20**, that takes the very hardest seeming Bible contradictions from an atheist website and debunks them.

THE MAXIMUM END RESULT OF EVOLUTION APPLIED TO INFINITE TIME OR AN EXTREMELY VERY LONG TIME SHOULD BE ULTIMATE ORDER OVER DISORDER AND NO NEED FOR ORDER OUT OF TIME AND CHANCE.

For those that believe in the theory of evolution, what would be the maximum end result of order out of chance in some other dimension or in the physical dimension before sexual reproduction evolved? This would be over a very long time like a trillion years or over infinite time. Would there not evolve an ultimate Being Who would become so ultimate in intelligence and power as to be able to fully master time and matter and all the laws of this universe? *This would be to the degree as to be able to negate the need for evolution so that it in reality evolution would never have become the cause and source of all that exists.*

SURVEYS TAKEN IN THE US, AUSTRALIA AND GERMANY SUGGEST THAT 4

TO 15% OF THE POPULATION HAVE HAD NDES (NEAR DEATH EXPERIENCES).

In the YouTube Video titled, **God and the Afterlife: Latest Findings from the Largest NDE Study Ever Reported | Jeffrey Long**, Dr. Jeffery Long points out at **6:02** in the video that only 10 to 20% of those that have a close brush with death experience an NDE. Surveys taken in the US, Australia, and Germany suggest that 4 to 15% of the population have had NDEs. The population of the US in 2021 was 331.42 million, Australia in 2021 was 25.88 million and Germany in 2021 was 83.99 million which is a total of 441,289,000 million. Of this total 4 to 17% that experienced an NDE rounds out to between 17 (4%) and 66 (17%) million people. Of more than 800 near-death experiencers (NDErs) reporting to the International Association for Near Death Studies at IANDS.org, 25% believed they were clinically dead at the time of their NDE. *If we apply this 25% to the 17 to 66 million that have had an NDE in these countries, between 4.2 to 16.5 million would therefore had an out of body experience that were indeed clinically dead.*

There are very likely many thousands of Near Death Experience cases where people with totally flat brain readings and the heart fully stopped have described details while they were dead of what the doctors were saying and doing and also of what their family was saying and doing that they could not possibly have know. These are people that have been verified by doctors to have been completely dead with flat EEG readings of the brain and 0 vital signs. Some of these people

were confirmed as completely physically dead for up to 2 hours. *Medical Doctor Long's study found 287 near death experiences that described these out of body of observations of which 97.6% were totally accurate verbatim.* This includes people that traveled out of their body a great distance from the location of their physical body at death.

The Handbook of Near-Death Experiences documents 55 research teams that have published 65 studies of over 3500 near-death experiences. The International Association of Near Death Studies Incorporated, iands.org, the largest scholarly organization for near death studies, shows on their website that *before 2011 there has been over 900 scholarly articles written by prestigious scientific journals such as, "The Lancet, Critical-Care Quarterly, American Journal of Psychiatry, Psychiatry, British Journal of Psychiatry, The Journal For Near-Death Studies, Resuscitation and Neurology"*

Gary Habermas who holds a PhD in history and philosophy and an MA in philosophical theology and has written over 40 books, reveals his vast resource of highly corroborated NDEs of over 300 individuals. Watch the YouTube video titled, **Gary Habermas Answers Questions on Near-Death Experiences, Resurrection Appearances & MORE!** to some examples of these strong confirmations.

Here are more examples first in the YouTube video titled, **"Near Death Experience Documentary - commonalities of the experience"** and another example on a Youtube video titled, **"THE DAY I DIED - NDEs Near Death Experiences -**

Scientific Evaluation".

WHEN YOU WATCH HUNDREDS OF YOUTUBE VIDEOS ON NDES FROM ALL RELIGIONS AND BACKGROUNDS YOU DISCOVER THAT THEY POINT TO ETHERNAL LIFE THROUGH JESUS CHRIST ALONE.

Firstly these videos reveal that there is only one true eternal God. This is because the majority of NDEs on YouTube describe meeting a being that they conclude is Jesus Christ or the one true eternal God.

There was a study done from an Internet survey on the Near Death Experience Research Foundation (NDERF) website nderf.org (Long, 2002). From 626 surveyed they determined 302 were very real NDEs and these were asked pre and post NDE questions about religious preference. The largest religious preference change after their NDE was Christian (25.71%), followed by spiritual (17.5%), and Catholic (10.36%). *It would also be most likely that those who changed to a Spiritual preference or a Catholic preference were also in a high percentage mostly in the Christian preference category which means it could be easily and additional 15% or more to around 40% for NDEs leading to people becoming Christians.* This is because those that switch from not being spiritual to being spiritual often are leery of organized or established Christian denominations but may have come to believe in the one true eternal God and of the ultimate perfection and manifestation of that love to them in Jesus Christ in their NDE experience.

There are many examples of atheists who died

and saw and experienced hell and cried out to God for mercy and then met God and became deeply committed Christians. There is the atheist professor, Howard Storm. Watch him in the YouTube video titled, **Atheist Professor In Hell! Best Testimony Ever!** Brain Melvin, an atheist that strongly opposed Christians shows and describes what he saw in hell and how he was converted to the saving knowledge of God through Jesus Christ. Watch this YouTube video titled, **What this Atheist Saw in Hell is Frightening!**.

GENUINE CHRISTIANS CONSISTENTLY EXPERIENCE AN EXCEPTIONALLY REAL AND EXTREMELY DETAILED AND PLEASURABLE EXPERIENCE IN HEAVEN WITH GOD AND HIS FAMILY WHICH ALL OTHERS DO NOT.

After watching the NDE testimonies of many genuine Christians and many NDEs of other non-Christian religions it is very clear that entering this ultra real permanent realm and in particular heaven is very different than non-Christian religious NDEs. These Christian NDErs always describe their experience as exceptionally many times more real than this earthly realm. There seems to be a lot more non-Christian NDEs that describe their experience as equally as real or like a real dream. *Genuine Christian NDErs all go to what is obviously called heaven or paradise and describe a realm in far greater detail that is extremely pleasurable and filled with love, light, life, and intelligence from everything that is coming from the One True Eternal God, their central focus of love and worship.* This includes people, trees, plants, flowers, birds, horses, and many types of

animals and angels. Why even the furniture can communicate with intelligence.

Dean Braxton was highly confirmed by equipment and medical doctors to be totally dead for almost 2 hours. He mentions how for the third time he went back through the forest to meet Jesus after he was told by Jesus that it was not his time and to go back to earth into his body. He thought Jesus might let him stay in heaven since his body was not ready to receive him on earth. This third time he decided to go back to Jesus a different way to the right instead of the left. He noticed this time that everything was different because all created things were playing with each other. The living waters in the rivers and lakes were forming beautiful waves and playing with everything else around them and there was constant change. He then observed someone that he could tell was a redeemed committed Christian jump out of the water about 200 feet up into the sky. The water rose up and made an enormous loop as he was in the air. He then started to come back down and the water opened up and telepathically communicated, "ha ha, you missed me". You can watch Dean describe this in greater detail in the YouTube video titled, **Greatest Heaven Visit Testimony -- Dean Braxton, The Prophecy Club**, beginning at **57:08**. The encounters with God, the Father, and Jesus Christ are also described with far greater expression of personality and very detailed and filled with very strong descriptions of God in Jesus and in the Father expressing strong intense love towards them. I have never found any videos or books

that come anywhere near close to such ultimate descriptions of love, fulfillment, and meaning in non-Christian NDEs. Examples of such very exceptional NDErs who were highly verified as dead for a long time are **Dean Baxton, Dale Black, Don Piper, Daniel Ekechukwu,** and **Betty Crone.**

WHAT COULD ONLY BE THE ULTIMATE EVER LASTING REALITY, MEANING, PURPOSE, AND FULFILLMENT OF THE UNIVERSE AND YOUR LIFE?

The YouTube Video titled, **Evolution Swallowed by Infinity Reality**, explains much of what is in this remaining section. The source of Ultimate Reality can only be a supreme ultimate quality in governance that is the antithesis of corruption or disorder and there is only one such quality that this could possibly be. It can only be an ultimate quality of Being that can be defined as an ultimate perfection of love and trustworthiness. Such a quality could only be in an Ultimate Perfection of Love that could only be in quality of Being in governance that innately and freely always chooses the highest lasting good over any lesser choice. Any lesser choice would as such always have a measure of corruption in it that eventually would lead to complete destruction. *As such this Ultimate Perfection of Love is so pure in it's integrity that it is like a blazing fire of judgment against any lesser choice that is contrary to this Ultimate Love.* This love is the very anti-thesis of corruption and as such is the immovable indestructible foundation of Ultimate Reality and all reality. *The integrity*

of this Perfect Love that requires judgment is the defensive aspect of this Ultimate Love or what is called the holiness of this one true Eternal God.

All nature is held together by negatives and positives and the integrity of this Supreme Perfection of Love is represented in the negative symbol which represents an indestructible foundation and also cutting off of all that is corrupt. This would, for example, result in the cutting off of love potential self-originating free willed beings that have rebelled against God's Being of Love with the resultant consequence of their corruption in suffering the loss of love and all that issues therefrom. From this negative symbol comes the symbol of the cross by crossing out the negative symbol which represents just judgment against us. This symbol of the cross is also the last letter that was used in the ancient letters of the alphabet from 1500 B.C. and earlier in the Hebrew language and also almost all languages in the middle east at that time. In that alphabet this last letter meant sign or symbol. The YouTube video titled, **Is the End of Days Prophesied in the First Word of the Bible?**, beginning at **10:18** reveals the powerful significance of this last letter of the ancient Hebrew symbolic letters.

THE WORDS, LORD GOD WHICH ARE OFTEN USED IN THE ENGLISH OLD TESTAMENT ARE IN THE HEBREW ORIGINAL THE WORD, YAHWEH ELOHIM. YAHWEH IS BRIEFLY DEFINED AS THE ULTIMATE REALITY, THE I AM THAT I AM. ELOHIM MEANS THE ALMIGHTIES ONE.

These two words for God reveal that there

is only one true eternal God (Yahweh) that can reign as God because God is able to be in three separate personages over the three ultimate aspects of all existence. Without being in personage in or over a realm or aspect of existence there could not be authority and rule in or over it. Thus God in order to supremely rule beyond time and space is in personage as the Father (Originator), in personage in time and space, as the Son (Full Expression of the Father), and in personage filling all dimensions of space, as the Omnipresent Holy Spirit. God, the Son, is also confined in the full power and glory of the being of Yahweh like a focused ray of light out of the main light Who is God, the Father. This is in the measure needed in order to relate to and experience the creation realm and have reciprocal fellowship with His creatures in their limited creature capacity. For example, *Yahweh appears to Abraham in Genesis 18 in human form and eats the food Abraham offers to Him. Most NDErs experience meeting God and they almost all observe the greater light and power that is God, the Father out of which comes another smaller more focused personal light in personage as God, the Son, to communicate with them.*

THERE HAS BEEN ONE ULTIMATELY POSITIVE MESSAGE FROM THE TIME OF ADAM UNTIL NOW AND THAT WILL CONTINUE.

The good news message is that there is only one true eternal God and that God has the power to forgive those who repent and from their hearts and embrace God for Who God truly is as the supreme

central treasure and motivation of their life. This is because Yahweh, the Almighty One, (God) without violating the pure integrity of His love that requires judgment could always be transcendent in mercy with the power to forgive because God always had the ultimate perfect quality of love to absorb judgment upon Himself for our sins by becoming a perfect atoning sacrifice. *God's love is so great for you as an individual and for the world that they might be saved that God humbled Himself and suffered more than you a mere creature so that you could chose to be forgiven and receive His gift of eternal everlasting life.* All you need to do is repent with a genuine heart and also ask God to cleanse and forgive you of all your sins and therein also receive God (Yahweh) in Jesus Christ as the Supreme treasure and Savior of your life. *You can pray right now in your own words from your heart or you can go to my site at ultimatemeaning.com and click the contact link were there is audio with music you can pray along with to repent and receive complete forgiveness of all your sin and receive the One True Eternal God as the supreme treasure in your life.*

Spiritual rebirth is best illustrated in the symbol of an open hand. Before we chose to from the heart to believe in who the one true God is by the ultimate perfection of His love in holiness and then mercy our hand (representing our soul and spirit) was like a closed fist in rebellion against God. But when we chose to so recognize and receive God by crying out for His mercy and forgiveness that fist opened up to an open hand. The open hand then has another open hand

which represents the Holy Spirit of God come and dwell with it (our soul and spirit) forming two hands in prayer. *Now our hand cannot close back like a fist because the Spirit of God's is then dwelling with the soul and spirit of the repentant before the crucifixion and indwelling in and with our soul and spirit after the crucifixion and resurrection of Jesus Christ. This is the new divine nature of faith described in 1 John 5:4.*

From the time of Adam people took an innocent lamb and placed there hands upon its head and sacrificed it as a symbol of substitutionary sacrifice and their repentance. They recognized that the animal could only cleanse their physical body and that God could only be so perfect in love without violating the integrity of God's love as to have the power to forgive. Jesus Christ is called the Lamb of God Who takes away the sin of the world. *People have experienced from the time of Adam until now deep conversion where they are born again (brought forth anew) by the Holy Spirit of God.* The only main difference between the time before the crucifixion and resurrection of Jesus Christ and after is that after the crucifixion our soul and spirit could also be cleansed. *Thus, after the crucifixion the Holy Spirit could indwell and saturate the soul and spirit of the repentant whereas before the Holy Spirit could only dwell with their soul and spirit. Furthermore, our soul and spirit can have direct communion into the most holy presence of God through prayer after the crucifixion of Christ whereas before they could not although their prayers were just as clearly heard by God. There has always been a remnant from the time of Adam that has been born again*

by the Holy Spirit of God and there will be a day in the near future where the whole nation of Israel will be born again. This is why Christ expected Nicodemus to know what being born again of the Holy Spirit was before His crucifixion. For example, saints like Enoch in the pre-flood world and Elijah had such a close relationship with God that it is very self-evident that they were born again by the Spirit of God. This is why Christ said in John 14:17, "but ye know Him; for He dwelleth with you, and shall be in you."

HOW CAN GOD BE JUST TO CREATE US AS THE SOURCE OF OUR OWN INTELLIGENT ACTION (FREE WILL) IN ORDER TO HAVE THE CAPACITY TO LOVE, IF IT ALSO MEANS THERE IS THE POTENTIAL TO REBEL WITH THE CONSEQUENCES OF SUCH MASSIVELY TERRIBLE AND UNENDING SUFFERING?

Clearly, it is because it would not be love, but rather very unjust to disqualify the infinite greatness of God's and creation's unending and unspeakably glorious experience of love because of the insignificance of some who freely choose of themselves to be hardened against God's love. It would be very unjust for the insignificant loss (suffering) of unwilling material to disqualify the far greater purpose of the Creator building us as many individual stones into a house that He can inhabit with His love. It would be going against the very essence of Ultimate Reality (Yahweh) which is in that one and only quality of Ultimate Perfect Love - the very essence of Who God is.

Such beings have a quality that constitutes

them as even less than nothing because their being has taken on a hell contagious state that is anti-existent and anti-life. This is because their very nature has become nonconvertible in destructiveness that is contrary to life and to this ultimate quality of being in God. After all, when there is, as it were, hell in one's heart, this would turn heaven into hell, and therefore such destructive beings can only be relegated to a realm in the universe that is self-destructive with those like them. A destructive state of being as such experiences torment and that is all the more augmented by being put with those of like state of being. This designated realm in the universe of all those with self destructive states of being is obviously at enmity with God Who is love and all those in harmonious communion with His love. The intestines in our body is illustrative of a filtering system that represents all the false self-delusional beliefs that people choose in rebellion against the one true eternal God. A small portion of the food we eat passes through the filter to become a lasting part of our body which are those who embrace rather than reject the Ultimate Perfection of Love Who is God.

On the other hand, the family of God is described as a corporate body of people from all backgrounds that has come into a very deep unbreakable unity in love with God and each other. This unity is likened unto the functioning unity in the members of the physical body which is filled by God as the Head. The fulfilling bliss and love in this heavenly corporate body is so great that it is described as beyond the ability of

human imagination to comprehend.

There is no quality that can be imagined that is greater than this Ultimate Perfection of Love or that could possibly exist that could be greater. This Ultimate Perfection of Love Who is Yahweh (God) that is revealed in the holiness (integrity) of love in required judgment from which springs the mercy of this love is fully revealed in the perfect atoning substitutionary sacrifice of God on the cross in Jesus Christ for our sins. This Ultimate Perfection of Love Who is God is the source of the ultimate order and governance of all existence. To apply the theory of evolution to an infinite past could result in no possible greater Ultimate Order over disorder. Such Ultimate Order swallows up the time and chance of evolution as a non-reality that never was and was not before this Ultimate Order over all disorder.
